- Knowledge of Alaskan economics and education issues, required
- Event planning experience, strongly preferred
- Bachelor's degree in related field, preferred
- Motivated self-starter
- Excellent verbal and written communication skills
- Proficiency in Microsoft Office and ability to learn new technology as needed

Essential Duties:

- Work closely with the Board in planning and coordinating the December Annual Conference in Anchorage, the spring Legislative Fly-In in Juneau, and the July Summer Leadership conference (location varies).
- Collaborate with Associate Executive Director re: member professional development.
- Recruit and coordinate vendor participation in all association events.
- Manage member communication through email, maintenance of the association website, a quarterly newsletter and online platforms.
- Maintain a productive, professional relationship on the association's behalf with state agencies, profession associations, state and federal legislators, ASBO International and other ASBO affiliates.

- Monitor and provide input to legislative discussions on topics of interest to members.
- Assist the President with setting monthly Board meeting agendas and preparing for meetings.
- Coordinate member participation in out-of-state ASBO events and attend as association representative:
 - February Executive Leadership Forum
 - June ASBO Executive Director Group
 - Fall ASBO International Annual Meeting & Expo
- Support association committees in achieving their goals.
- Work with the President and Treasurer to develop annual budget and track expenses throughout the year.
- Follow association policy and procedures; recommend changes to the Board as needed.
- Facilitate implementation of the Board's Strategic Plan.
- Maintain and enhance revenue streams to enable financial stability.
- Develop and manage special projects and programs as requested.
- Collect and maintain association records, including historical records.

Contract Pay: Depending on Experience
